You can make your tax-deductible donation online at <http://www.ramseypark.org/donate> or send a check payable to the Austin Parks Foundation with "Ramsey Park" in the memo line. Mail checks to: Austin Parks Foundation, Attn: Ramsey Park, 507 Calles St., Suite 116, Austin, TX 78702.

*Though we welcome additional contributions, all previous donations will be honored and your donations can cumulate towards these levels.*

## INSCRIPTION GUIDELINES and OTHER INFORMATION

**BRICKS:** 4 x 8 bricks can include only names of people, families, organizations or businesses. Also acceptable would be group gifts reflected in inscriptions such as Bryker Woods Class of 2015 or Mrs. Smith's 3rd Grade 2013-14.

**PAVERS:** All inscriptions eligible for a brick also are eligible for pavers. In addition, you have the option of including short words of wisdom or quotes appropriate for a family-friendly environment. These should be consistent with our theme: **IMAGINE a park where the kids can PLAY, the community can GATHER, and we all GROW together.** We envision quotes related to imagination, play, community, nature and learning.

Though the bricks and pavers hold 3, 5 or 8 lines, they do tend to look better with fewer lines. And **SIMPLER is BETTER.** Please note that the # of lines and of characters/spaces per line varies across the two paver sizes.

Some additional guidelines that apply no matter the size brick or paver - for clarity's sake :)

- Inscriptions are text only, and may not include logos, website URLs, slogans or dates other than a single year.
- Inscriptions may not promote, advertise or relate to alcohol or tobacco products or companies or to adult oriented businesses or be of a non-commercial or cause-oriented nature (e.g., promoting or criticizing a political party, official or candidate; a political or social cause or movement; or a religion or religious establishment or movement).
- All inscriptions are subject to committee and Parks & Recreation Department approval.

The final location for the bricks and block pavers will depend on the total number of donations eligible for recognition in our "Friends of Ramsey Park Walk." Currently, candidate places for this recognition opportunity include the pathways near the playscapes, the area near water fountains, and the stage in front of the multi-use shelter.

Your engraved brick or paver will have an estimated 20-year life span. While we will do our best to deliver a high quality product, please bear in mind that we are all volunteers and cannot make any kind of guarantee on quality or longevity. Installation timing will be determined by the pace of implementation of the different phases of the park project. The walk will likely be the last piece.
